Welcome to the Napoli Flotilla! After the amazing time we had in 2022, we're back for more in 2024! Join other Nautilus' Alumni on board as we sail from Naples to explore the islands of Ischia, Procida, Ventotene, Ponza, and Palmarola. We'll dine under the towering presence of the Aragonese Castle, bathe in the hot springs of Sant Angelo, and sample the seafood cuisine of Ventotene. In Ponza, we'll sample wine made from grapes grown on the hills behind us. And in Palmarola, we'll snorkel the water caves at Cattedrali di Palmarola - These are stunning crevasses in the rock walls above the bay! Can't wait to see you there!
